It's Fall! Let's Take A Walk!

Talk with me about...

Read with me!

- 🍎 Fall is a **season**. The weather gets cooler in fall and **sometimes** it rains. I'm learning the difference between **wet** and **dry**.
- 🍎 The **leaves** turn pretty colors and **FALL** from the **trees**! Some of the colors we see in the fall are: **orange, yellow, red, green, and brown**.
- 🍎 It's fun to **take a walk in the leaves**.
- 🍎 Farms grow apples. They are harvested in the fall.
- 🍎 In the fall, we **rake leaves**. We can put the leaves in a bag and talk about **full** and **empty**.
- 🍎 In the fall, we visit the **pumpkin patch**.
- 🍎 When we **carve a face on a pumpkin** it's called a **jack-o-lantern**.
- 🍎 Inside pumpkins are lots of gooey **seeds**! If we plant those seeds, they become pumpkins!
- 🍎 **Halloween** is in the fall.

Our letters and numbers

Number of the week:

4 2

Letter of the week:

W w

Pull me close...

- 🍎 Sometimes I get **afraid** of things when it doesn't make sense. I might feel scared when the lights are off or I hear a noise outside. It helps to remind me that everyone feels scared sometimes... even grown-ups.
- 🍎 We feel lots of things. Sometimes we're **happy, sad,** and even **mad** and **scared**. Sometimes we're very **excited**! At school, we're learning the names of these feelings and that everyone feels these different ways. Moms, dads, teachers, and kids all have feelings!

Let's play!

- 🍎 I would love to go on a fall walk with you. If it's raining we could take our umbrellas. We could watch all kinds of pretty fall colors in the leaves. Maybe we'll even see some houses decorated for Halloween!
- 🍎 I'm learning my colors. Orange is so pretty! I see a lot of it at this time of year. Maybe we could make an orange snack with carrot sticks and peanut butter. We could see what else we have around the house that is orange, like pumpkins, leaves, and carrots!

Can you find the number 2? It is hiding.
