

Hello from EEP!

We are excited to invite you to your child's upcoming IFSP Team Meeting.

This meeting is an opportunity for you to sit down with your child's educational team. We will talk about your little one, their goals and progress, and finish an Individualized Family Service Plan (IFSP). We want to learn more about what's important to you and how we can better support your family.

Enclosed you will find your IFSP Meeting Notice as well as some things to read over before your meeting. Bring your notes with you to your meeting so that you can best take advantage of this time with your child's team, share your insights, and get questions answered!

We look forward to seeing you soon!

The purpose of your IFSP meeting is to talk about:

- The progress your child has made on previous goals and objectives
- Your child’s current skills and abilities
- What your child needs to learn
- What would be helpful to you as you support your child’s learning

Please help us know what is most important to you. Below are some questions to consider before your meeting. This meeting will last about one hour.

- 1) What is your child good at? What does your child like to do?

- 2) What are your priorities for your child? What would you like your child to learn?

- 3) Any parenting challenges you’d like to share? (e.g. problems with a home routine, grocery shopping, language is hard to understand, etc.)
What would be helpful to you and your family to support your child’s learning and development? (ex: visuals, positive emotional responses, coping mechanisms, etc.)

- 4) What is your preferred method of communication?
