

Listen! Is that sound QUIET or LOUD?

Use to test or teach SOUNDS LOUD and QUIET/SOFT.

Year 2: "Here are things you might HEAR. Look!" Point to each picture from left to right. Be expressive when you say, "That fire truck sounds really LOUD. He's holding his ears! That lion is roaring. That's LOUD, too! That boy is yelling. Ahhh! That's LOUD. That little girl is sleeping. Listen. She's snoring a little bit like this. (Shshsh) She's snoring SOFTLY. That's SOFT. It's pretty QUIET." Your turn. Tell me LOUD or SOFT."

Use this sheet with your Year 2 children only after hearing activities involving REAL objects.
